# Training DVDs

## Using the Alco-Sensor and Alco-Sensor III

Item# 313 \$29.00

30 Minutes

This program makes an excellent tool for training staff in the use of these models Alco-Sensors. The program demonstrates how to conduct an alcohol test with the previous version Alco-Sensors as well as the new version Alco-Sensors with red mouthpiece ejector buttons. The program also demonstrates how to conduct Accuracy Checks and Calibration Adjustments.

## Using the Alco-Sensor IV

Item # 316-D \$29.00

30 minutes

This program covers all models of the Alco-Sensor IV, including the Alco-Sensor IV with Memory. Demonstrations include how to conduct an alcohol test, and how to perform Accuracy Checks and Calibration Adjustments. The video may be used to supplement all types of Alco-Sensor IV training.

## Alcohol Pharmacology

Item # 335-D \$29.00

30 minutes

This video provides an engaging presentation of the science behind alcohol intoxication and sobering up. We believe that all staff that conduct alcohol testing should know this basic information to be better able to interpret test results. This program is applicable to a wide range of audiences, including students, and the general public, to teach the basic facts about alcohol intoxication and the dangers of alcohol poisoning.

## Alco-Screen 02 Serious Marine Incident Training

Item # 416-D \$29.00

17 minutes

Coast Guard regulations require certain vessels to have alcohol testing devices on board, and require that operators be trained in the use of the device. This brief program provides the essential information to use the Alco-Screen 02 device and to properly document test results to meet the Serious Marine

## Alco-Screen 02 S.T.T. Training Supplement

Item # 417-D \$29.00

18 Minutes

This brief program demonstrates how to administer a DOT screening test using the Alco-Screen 02 device, and demonstrates how to correctly document DOT screening test results. Included with our Screening Test Technician course, this DVD also makes a perfect training tool for agencies that need to train staff on the use of the Alco-Screen 02.

## Alco-Sensor FST Training CD

Item# 357 \$50.00

This computer-based training program thoroughly covers all aspects of operation the Alco-Sensor FST. The program generates certificates of completion for each student.
